ELIGIBILITY REQUIREMENTS
<p>In consideration for Hendricks Power Cooperative providing a \$100 rebate (credit to the electric bill) for the installation of a Load Management Switch (LMS) on a qualifying electric water heater, the undersigned member agrees to abide by the following terms and conditions:</p> <ul style="list-style-type: none"> • Hendricks Power must provide electric service to the installation site address listed on this application. • Applicant must provide proof of purchase for qualifying 50-gallon (minimum) electric water heater purchased at a retailer after Jan. 1, 2017.* • Member will be contacted by a Hendricks Power contractor to schedule the LMS installation. • Applicant agrees that LMS will remain installed for a minimum of five years. • Hendricks Power reserves the right to inspect the LMS, with notification. <p>Qualifying water heater units do not include: any unit that is not electric, any unit used for geothermal storage, any unit less than 50-gallon capacity, a tankless unit, or any unit with an existing LMS switch installed.</p>

* Members with LMS switches installed prior to 1/1/2017 will remain under Hendricks Power Cooperative's previous water heater program until existing water heater is replaced.

Water Heater/Load Management Rebate Application

SUBMITTING AN APPLICATION

Please read this application carefully and include all information requested. Keep a copy of the application for your records.

Applications and proof of purchase can be submitted to:

- E-mail to scoulter@hendrickspower.com
- Mail to Water Heater/LMS Rebate, c/o Hendricks Power, PO Box 309 Danville IN 46122.

Once Hendricks Power confirms requirements have been met, including installation of the LMS, a \$100 rebate will be issued as a single credit on the member's electric bill. A check may be mailed in some instances, at the discretion of the co-op.

Submission of this form verifies that the applicant has provided accurate information to provide in the program.
