2023 Residential Program Pool Pump Rebate Application

This program can be changed or cancelled at any time at the sole discretion of Wabash Valley Power Alliance, with or without notice.

• Eligibility requirements

- Residential members of electric cooperatives participating in Wabash Valley Power Alliance POWER MOVES energy efficiency programs. Please call your co-op to verify participation or see the list at www.PowerMoves.com.
- Program eligibility requirements are subject to change or termination with or without notice at the sole discretion of Wabash Valley Power Alliance.

• Program parameters

- All rebated equipment must be new; used or rebuilt equipment is not eligible for an incentive.
- Incentive items must be installed on the electric cooperative account listed on this application.
- Rebated equipment must meet the technical specifications listed in this application form.

• Application procedures and deadlines

- Applications should be submitted within 60 days after the project completion date. An invoice must be included for the application to be considered complete.
- Rebated equipment must be installed and operational on or after January 1, 2023, and on or before December 31, 2023. All applications should be postmarked by February 29, 2024.

• Ability to confirm installation (right to conduct inspection)

- Pre-install inspection: Wabash Valley Power Alliance reserves the right to inspect the program participant's home to verify that equipment meeting program qualifications exists prior to providing an incentive, and the program participant agrees to provide reasonable access to the premises for such purposes.
- Post-install inspection: Wabash Valley Power Alliance reserves the right to inspect the program participant's home to verify that equipment matching the information provided on the program application has been placed in service at that home, and the program participant agrees to provide reasonable access to the premises for such purposes.
 - Post inspection, the program participant will have 30 days from the request date to submit any additional information requested by Wabash Valley Power Alliance. Failure to submit requested information may result in application rejection.
 - If any requested inspection finds the program participant or the program participant's contractor did not comply with program rules and standards, any incentive received must be returned to Wabash Valley Power Alliance within 60 days of notice of such noncompliance.
- Wabash Valley Power Alliance reserves the right to conduct an additional post-install inspection for program portfolio evaluation, measurement, and verification (EM&V) purposes. Incentives received will not be affected by the results of this inspection.

• Payments

- The maximum total residential incentive payment per membership is \$10,000 per year.
- The incentive payment cannot exceed 75% of the total project cost. Self-labor cannot be included in total project cost.
- Approved incentive payments will be made via a check or bill credit at the discretion of the local electric co-op.
- Wabash Valley Power Alliance reserves the right to withhold payment for products that do not meet the program requirements as determined within its sole discretion.
- Program funds are limited. Incentives are available on a first-come, first-served basis, subject to application approval.
- Incentive amounts, thresholds, and offerings are subject to change or termination with or without notice at the sole discretion of Wabash Valley Power Alliance.
- Wabash Valley Power Alliance is not liable for incentives promised to members as a result of a contractor misrepresenting or not verifying the rules the program.

• Logo Usage

- Program applicants and program participants may not use our logo or name without prior express written permission.

• Disclaimers

- Wabash Valley Power Alliance and its member cooperatives
 - Do not endorse any particular manufacturer, product, or system design by offering these incentives;
 - Will not be responsible for any tax liability imposed on any program participant as a result of the payment of incentives;
 - Do not expressly or impliedly warrant the performance of any installed equipment;
 - Are not responsible for the handling, storage, treatment, transportation, or disposal of any waste generated as a result of any measures for which incentives have been applied for and/or received under this program nor any resultant environmental contamination related to the same;
 - Are not liable for any damage caused by the operation or malfunction of the installed equipment; and
 - Do not guarantee that a specific level of energy or cost savings will result from the implementation of energy conservation measures or the use of products funded under this program.
